2008 SnoMos's Vintage Show & Run

Vintage enthusiasts from around the Twin Cities descended on the Frandrup Farm for the annual Vintage Show and Ride last Saturday. A fantastic turnout proved to set the stage for a great day of fun for everyone and a successful day for the Hastings SnoMos. If you didn't make it to this year's show, you missed out on the races, the vintage ride and of course all of those great sleds from yesteryear. The only thing missing may have been the marshmallows to roast when one of the many raffles went up in flames. Check out the website for some photos of the afternoon.

Many thanks to the Frandrups for opening their farm for this event again!...and to all of the volunteers who helped make this event possible. I'm already looking forward to next year's bigger and better show.

Letter from the Editor

Mother Nature let us down for a second year with insufficient snowfall to accommodate the annual club trip. Because that trip is one of the primary events for our club it is disheartening when we are forced to cancel it. Thankfully though we did have enough snow and great weather for another of the club's events to go on as planned, the Vintage Show & Ride. If you didn't get a chance to stop by, check out the pictures on the website. Many of the great vintage sleds and of course some of the antics of those enjoying the festivities, were captured and are displayed there.
DeDe and Dan, John Glen phoned....he would like his suits back.

As we approach the end of the season, be sure to check the website regularly for up to date news and information on events throughout the summer season. See you in the fall.

Bryan
